History

The original Giuliano's in Gardena was established in 1952 by Gaetano and Frances Giuliano. Their dream was to have a unique store that would provide customers with the finest and freshest quality products, fair prices and the Italian tradition of first name friendliness. Now, nearly half a century later, we are the only Giuliano's store that is owned and operated by the children and grandchildren of Gaetano and Frances. We are proud to carry on the name that represents the quality, service and tradition that Giuliano's stands for. We at Giuliano's Gardena appreciate your patronage and look forward to serving you.
